Regional Service Conference Room

- Introductions/Sign-In Sheet
- Description of Services: The project will consist of the replacement and installation of water valves throughout the ECUA franchise area ranging in size from 4” to 16”. The work will take place in City, County, and FDOT rights-of-way. The associated restoration to work areas will be included in the scope.
- The quantities in the “Contractor’s Proposal” are estimates and may not be exact. The estimated quantities in the bid are not guaranteed and are solely for the purpose of comparison of the bids.
- The bid opening will be on Thursday, November 9, 2023 at 14:00 in Finance Conference Room.
- The Contract will consist of a 180 days to substantial completion and 30 days from substantial to final for a total construction time of 210 days. There will be an option of three contract extensions, upon mutual written agreement of the parties. If extended, changes to unit price will not be allowed.
- Please familiarize yourself with the “Pay Item Notes”.
  - Are there any questions or concerns with any of the Notes?
  -
- The spreadsheet of valves with photos are not listed in order of priority. ECUA and Contractor will work together and coordinate on which valves will be replaced. ECUA will perform dry-runs prior to scheduling outages to customers to identify the number of customers effected during the required outages.
- Open Discussion:
  - Valve replacements will be completed no later than Wednesdays during the week for testing purposes.
