## The Recycling Diet: No Food Waste!

Help us to keep our recycling program lean and clean! Please remember that food waste from unrinsed bottles and cans, or leftovers and table scraps, is not recyclable. Please dispose of food waste in your regular garbage can and keep your recyclables lean and clean.

## Yard Waste Service

ECUA provides yard waste collection service once every other week to all residential customers in north end Santa Rosa County. Our crews get an early start every day, so it is best to have your yard waste at the curb prior to 7:00 a.m. on your scheduled yard waste collection day.

Yard waste, as defined by the ECUA Sanitation program, includes: leaves, pine straw, grass clippings and small prunings.

Please follow these few simple guidelines:

**1. Do not use your garbage or recycling can for yard waste. Yard waste is collected separately from household garbage and recyclables.**

2. Place your bagged or canned yard waste within two feet of the curb and away from the road.

3. Small yard waste, leaves, pine straw and grass clippings must be contained in standard garbage containers or yard waste bags that do not weigh more than 50 pounds when full.

4. Cut limbs should not exceed six feet in length or 50 pounds in weight, and must be bundled. Please remember to tie loose limbs into manageable and secure bundles.

## What IS or IS NOT Recyclable?

As our recycling program has grown and evolved, the list of accepted recyclables has changed with it. We make this information available in many ways but the most updated list of items will always be found online.

For a complete list of accepted and non-accepted items, more information on ECUA's recycling program, or to sign-up for recycling service, visit us at [LiveGreenECUA.com](http://LiveGreenECUA.com) or [ecua.fl.gov/green/recycling](http://ecua.fl.gov/green/recycling). Be a recycling champion!

## What Are My Collection Days?

If you are unsure as to which days are your collection days, please follow this link to the Santa Rosa County website:

This search feature allows you to plug in your address to find out your collection days for regular garbage service, recycling, and yard waste, too! It will indicate when your yard waste collection is scheduled...on the even or odd weeks of the month. You can also find the schedule for yard waste

collections on the ECUA website at: <http://www.ecua.fl.gov/santa-rosa>. Scroll to the yard waste section and click on the calendar link.
