3. Term. The term of this Agreement shall begin on the Effective Date, as defined in paragraph 2.4, above, and end on September 30, 2021. Provided, however, that the Parties may extend the term of this Agreement upon mutual written agreement.

4. Delivery and Acceptance of Source Separated Recyclables.

a. *Diversion of Source Separated Recyclables to ECUA.* Beginning on the Effective Date and throughout the term of this Agreement, Commercial Collector may deliver, or cause to be delivered, to the ECUA MRF, certain SSR which Commercial Collector collects from its customers in Escambia County and Santa Rosa County, Florida.<sup>1</sup>

---

<sup>1</sup> The ECUA MRF shall only be obligated to receive SSR at those times and on those days in which the ECUA MRF is operating, receiving SSR, and not Shutdown.

b. *Right to Reject Loads Containing Excess Rejects.* In the event that SSR delivered to the ECUA MRF contains Rejects in excess of twenty-five percent (25%) by weight, the entire load may be rejected by the operator of the ECUA MRF. In the event that such a rejection occurs, Commercial Collector shall be liable for a processing fee of \$250 per load plus the disposal costs attributable to that entire load at the Perdido Landfill, at the rates established by Escambia County which are then in effect.<sup>2</sup> ECUA shall provide Commercial Collector written notice of any excess Reject contamination within three (3) business days. Moreover, in the event that Commercial Collector's SSR has excess Reject contamination on three (3) separate loads within a thirty (30) day calendar period, the ECUA Executive Director or his designee, in his sole discretion, may terminate this Agreement and disqualify Commercial Collector from further deliveries.

c. *Charges to Commercial Collector.* In addition to any fees assessed pursuant to paragraph 4.b, above, Commercial Collector shall be charged forty five dollars (\$45) for each ton of SSR processed at the ECUA MRF.

5. Disposal of Residue. The Parties acknowledge and understand that each load of SSR may contain Garbage, Unacceptable Waste, or other Rejects which cannot be recycled and put to beneficial use (collectively hereafter referred to as Residue). Because the SSR received from Commercial Collector will likely be commingled with SSR generated from other jurisdictions, the Parties acknowledge and understand that it is impossible to therefore segregate the Residue by each entity. Accordingly, all such Residue shall be disposed of at the Perdido Landfill at no additional charge to Commercial Collector.

6. Billing. ECUA shall send a bill to Commercial Collector within ten (10) days of the end of each month which reflects all charges to Commercial Collector incurred during the prior month pursuant to this Agreement. All charges shall be paid by Commercial Collector within fourteen (14) days of issuance of that bill by ECUA

---

<sup>2</sup> In the event some or all of the load cannot be lawfully disposed of at the Perdido Landfill, Commercial Collector shall be liable for all disposal costs associated with the disposal selected by the operator of the ECUA MRF.

(which shall be sent to Commercial Collector via e-mail). In the event Commercial Collector fails to tender timely payment of any sums due to ECUA under this Agreement, a 1.5% late fee will be assessed and the unpaid sum shall accrue interest at the rate of 1.5% per month, without prejudice to any other relief to which ECUA may be entitled.

7. Compliance with Law and Procedures. ECUA and Commercial Collector shall perform their respective obligations under this Agreement in compliance with all Applicable Law. Commercial Collector shall transport and handle SSR in its control in a safe and workmanlike manner and in full compliance with Applicable Law. ECUA shall further endeavor to maintain throughout the term of this Agreement, all permits, licenses, certificates, and approvals required by Applicable Law for the operation of the ECUA MRF.

8. Tonnage Limit. Presently, approximately one thousand two hundred (1,200) tons of SSR are generated and collected by Commercial Collector from its customers within Escambia County and Santa Rosa County, Florida per year, collectively. Commercial Collector is limited to delivering one hundred (100) tons of SSR per month, absent subsequent written agreement between the Parties pursuant to the notice provisions set forth in paragraph 12, below.

9. Staffing at the ECUA MRF. The Parties understand that the ECUA MRF may be operated by either a third party selected by ECUA or by ECUA staff, in ECUA's sole discretion.

10. Title to Source Separated Recyclables. Upon acceptance of a load of SSR (as opposed to a rejection in accordance with paragraph 4.b, above), title to the SSR shall vest with the operator of the ECUA MRF.

11. Events of Default. A Party shall be in default of this Agreement only upon the expiration of thirty (30) days (ten (10) days in the event of failure to pay money) from receipt of written notice of default from the other Party specifying the particulars in which such Party has failed to perform its obligations under this Agreement unless such Party, prior to the expiration of said thirty (30) days (ten (10) days in the event of failure to pay money), has rectified the particulars specified in said notice of default; provided, however, that such Party shall not be deemed to be in default

if such failure (except a failure to pay money) cannot be rectified within said thirty (30) day period and such Party is using good faith and commercially reasonable and diligent efforts to rectify the particulars specified in the notice of default.

12. Notices. All notices called for under this Agreement shall be made in writing and delivered by hand, certified mail with return receipt, or overnight courier, as follows:

13. Force Majeure. In the event that performance by the Parties of any of its obligations under this Agreement shall be interrupted, delayed, or prevented by any occurrence not occasioned by the conduct of such Party, whether such occurrence be an act of God or any other occurrence whatsoever this is beyond the reasonable control of such Party, including a change in environmental law or regulation rendering performance impractical or impossible, then the Parties shall be excused from such performance for such period of time as is reasonably necessary after the occurrence to remedy the effects thereof, or until such performance is no longer impractical or impossible.

14. ECUA's Right to Refuse to Accept SSR and Right to Cancel for Convenience. Notwithstanding the provisions of paragraph 4, above, in the event that the operator of the ECUA MRF declares a Shutdown, ECUA and the ECUA MRF shall be under no obligation to accept any SSR from Commercial Collector through the duration of that Shutdown. ECUA will promptly provide Commercial Collector with notice of a Shutdown. Moreover, in the absence of a Shutdown, ECUA, acting through its Executive Director, may cancel this Agreement for convenience on one week's written notice,

notwithstanding the provisions of paragraph 3, above. In the event of a Shutdown, Commercial Collector may dispose of SSR elsewhere for the duration of the Shutdown, and Commercial Collector shall not be obligated to reimburse ECUA or the operator of the ECUA MRF for lost revenue associated therewith.

15. Records. The Parties acknowledge that this Agreement and any related financial records, audits, reports, plans, correspondence, and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes, as amended. In the event a Party fails to abide by the provisions of Chapter 119, Florida Statutes, the other Party shall give written notice of the alleged violation of Chapter 119 and seven (7) calendar days to cure the alleged violation. If the alleged violation has not been cured at the end of that time period, then the party giving such notice may terminate this Agreement for cause. Commercial Collector further agrees to:

- a. Keep and maintain public records required to perform services under this Agreement.
- b. Upon request from ECUA's custodian of public records, provide ECUA with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.
- c. Ensure that public records that are exempt or confidential from public records disclosure requirements are not disclosed except as authorized by law during the term of this Agreement and following completion of the Agreement if Commercial Collector does not transfer the records to the ECUA.
- d. Upon completion of the Agreement, transfer, at no cost, to ECUA all public records in possession of Commercial Collector or keep and maintain public records required by Commercial Collector to perform the services under this Agreement. If Commercial Collector transfers all public records to ECUA upon completion of the Agreement, Commercial Collector shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Commercial Collector keeps and maintains public records upon completion of the Agreement, Commercial Collector shall meet all applicable requirements for retaining the public records. All records stored electronically must be provided to ECUA, upon

request from ECUA's custodian of public records, in a format that is compatible with the information technology systems of ECUA.

Additionally, the Parties knowingly and willingly hereby waive their respective rights to have any such disputes or claims decided by a jury; instead, their sole relief shall be via a bench trial in which the judge alone sits as the finder of fact.

Commercial Collector agrees that it is an independent entity and not an officer, agent, servant, or employee of ECUA; that Commercial Collector shall have exclusive control of and exclusive right to control the details of the work performed hereunder by its personnel, and shall be responsible for the acts and omissions of its officers, agents, employees, contractors, subcontractors, and consultants; that the doctrine of respondeat superior shall not apply as between ECUA and Commercial Collector, their officers, agents, employees, contractors, subcontractors, and consultants; and nothing herein shall be construed as being a
