1. Question: 1. The RFP calls for a one-year contract with 3 possible one-year extensions. Will yearly extension pricing be negotiated or based on year one plus some sort of CPI adjustment to compensate for year over year inflation?

Response: Price Adjustment - The award resulting from this Solicitation may include provisions for price adjustments after the initial term. Written request for price adjustment shall be made no later than ninety (90) days prior to the end of the initial term. Any price increase requests shall be accompanied by written justification attesting that the request is a bona fide cost increase to the supplier. All price adjustments shall be reviewed by ECUA's designated representative. At its sole discretion, ECUA staff will submit the price adjustment to the ECUA Board for review and final approval. If the ECUA Board rejects the price adjustment, no extension to the initial term shall be entered into.

2. Question: 2. Evaluation points awarded in the PRICE category, will the lowest priced viable proposal receive the max points in that category and all others receive some amount of prorated points?
